CONDITION, MAINTENANCE AND INSPECTIONS OF THE PROPERTY

9. UTILITIES. SELLER agrees to leave all utilities on until the date of possession unless otherwise agreed.

The BUYER will pay SELLER for the amount of fuel left in tank(s) at Closing based upon SELLER'S actual cost at time of purchase, if applicable. SELLER will have tank read no earlier than seven (7) calendar days and no later than five (5) calendar days prior to the Closing Date and provide documentation to BUYER.

10. MAINTENANCE OF PROPERTY. SELLER will maintain the Property in its present condition and agrees to perform ordinary and necessary maintenance, upkeep and repair to the Property through the Possession Date.

SELLER must advise BUYER in writing of any substantial change in the condition of the Property prior to Closing.

Unless otherwise agreed in writing, SELLER must remove all possessions, trash and debris, and clean the Property, upon vacating or prior to delivery of Possession.

11. INSURANCE/CASUALTY LOSS. SELLER agrees to keep the Property insured until delivery of SELLER'S deed to BUYER.

BUYER and SELLER agree to consult with their respective insurance companies to ensure appropriate coverage during the time between completion of close and possession.

If before delivery of the deed to BUYER, the Property is damaged or destroyed by fire or other causes including those that could be covered by what is known as fire and extended coverage insurance, then the SELLER must notify the BUYER in writing within one (1) calendar day of discovery of such damage. The parties agree that the risk of that damage or destruction will be borne as follows:

a. If the damage is minor, SELLER may repair or replace the damage done to the Property if the work can be completed before the Closing Date.

If the SELLER elects to repair or replace the damage done to the Property, but repair/replacement cannot be completed prior to the Closing, with written agreement between the parties one of the following options will be chosen:

- 1. SELLER will pay for repair/replacement after Closing: or
- 2. The parties will extend the Closing Date to such time as repairs/replacement can be completed; or
- 3. With consent of BUYER'S Lender(s), 1.5 times the estimated cost of repair/replacement will be escrowed until repair/replacement is complete with any funds remaining after payment for repairs/replacement being remitted to the party that funded the escrow.
- **b.** If SELLER elects not to repair or replace the damage done to the Property, or if the damage is not minor, the BUYER may enforce or cancel this Contract by written notice to SELLER within ten (10) calendar days after receiving notice of such damage to the Property.
 - If BUYER elects to enforce this Contract, the Purchase Price will not be reduced and the Property will be conveyed in its existing condition at the time, provided SELLER must furnish BUYER with a copy of the insurance damage assessment and be responsible for paying the insurance deductible and assign SELLER'S fire and extended coverage proceeds to BUYER at Closing.
 - 2. If BUYER and SELLER mutually agree upon the cost of repairs, then SELLER may pay the cost of those repairs.

m. Resolution of Unacceptable Conditions. BUYER and SELLER will have _____ calendar days (five (5) days if left blank) after SELLER'S receipt of BUYER'S Inspection Notice/Resolution of Unacceptable Conditions (the "Renegotiation Period"), to reach an agreement resolving the Unacceptable Conditions.

Any of the following executed and delivered to the other party or other party's Agent prior to the expiration of the Renegotiation Period will constitute such an agreement:

- 1. SELLER'S signature agreeing to do everything requested by BUYER on the original Resolution of Unacceptable Conditions Amendment attached to Inspection Notice; or
- 2. A revised Resolution of Unacceptable Conditions Amendment signed by BUYER and SELLER resolving the unacceptable conditions; or
- 3. BUYER'S signature on the Resolution of Unacceptable Conditions Amendment accepting the Property in its present condition.

If no agreement resolving the Unacceptable Conditions is reached during the Renegotiation Period as provided above, then after the expiration of the Renegotiation Period either of the following is permitted under the Contract.

- A. Negotiations may still proceed. Any agreement must be in a written Amendment and signed by both parties.
- B. Either party may cancel this Contract by written notice to the other and the Earnest Money will be returned subject to the provisions of the Earnest Money and Additional Deposits paragraph of the Contract.

DEFAULTS AND REMEDIES

14. **DEFAULTS AND REMEDIES.** SELLER or BUYER will be in default under this Contract if either fails to comply with any material covenant, agreement or obligation within any time limits required by this Contract. Following a default by either SELLER or BUYER under this Contract, the other party will have the following remedies, subject to the provisions of Earnest Money and Additional Deposits paragraph of this Contract.

If SELLER defaults, BUYER may:

- **a.** Specifically enforce this Contract and recover damages suffered by BUYER as a result of the delay in the acquisition of the Property.
- b. Terminate this Contract by written notice to SELLER and, at BUYER'S option, pursue any remedy and damages available by law or in equity. If BUYER elects to terminate this Contract, the Earnest Money will be returned to BUYER subject to the provisions of Earnest Money and Additional Deposits paragraph of this Contract.

If BUYER defaults, SELLER may:

- **a.** Specifically enforce this Contract and recover damages suffered by SELLER as a result of the delay in the sale of the Property.
- b. Terminate this Contract by written notice to BUYER and, at SELLER'S option, either retain the Earnest Money as liquidated damages as SELLER'S sole remedy (the parties recognizing that it would be extremely difficult to ascertain the extent of actual damages caused by BUYER'S breach, and that the Earnest Money represents as fair an approximation of such actual damages as the parties can now determine) as provided in this Contract, or pursue any other remedy and damages available at law or in equity.

In any legal action to enforce rights under this Contract, the prevailing party is entitled to reimbursement of all reasonable attorney fees, court costs, and other related legal expenses incurred in connection with such legal action.

15. DISPUTE RESOLUTION. If a dispute arises relating to this Contract prior to or after closing between BUYER and SELLER, or between BUYER or SELLER and a Brokerage Firm or its licensee assisting in the transaction, and the parties to such dispute or claim are unable to resolve the dispute, BUYER and SELLER agree in good faith to attempt to settle such dispute through the dispute resolution process using a professional mediator. The parties to the dispute must agree in writing before any settlement is binding. Any agreement signed by the parties pursuant to the dispute resolution conference shall be binding. For controversies and claims that do not exceed the lesser of: (a) \$5,000.00 (five thousand dollars); or (b) the applicable jurisdictional limit of small claims court, either party may bring such claims in small claims court in lieu of dispute resolution. The following matters are excluded from dispute resolution: foreclosure or other action to enforce a deed of trust, mortgage, or land contract; an unlawful detainer action; the filing or enforcement of a mechanic's lien; any matter, which is within the jurisdiction of a probate court, or; a violation of a state's real estate license laws. Each party agrees to pay their equal share of any cost to use the services of a professional mediator, unless otherwise agreed to by the parties.

ADDITIONAL DISCLOSURES INCLUDING THOSE MANDATED BY STATE OR FEDERAL LAW

16. RADON, MICROBIALS AND OTHER ENVIRONMENTAL POLLUTANTS.

a. Radon. Every BUYER of residential real property is notified the Property may present exposure to dangerous concentrations of indoor radon gas that may place occupants at risk of developing radon-induced lung cancer.

Radon, a Class-A human carcinogen, is the leading cause of lung cancer in non-smokers and the second leading cause overall. Kansas law requires SELLER to disclose any information known to SELLER that shows elevated concentrations of radon gas in residential real property.

The Kansas Department of Health and Environment recommends all homebuyers have an indoor radon test performed prior to purchasing or taking occupancy of residential real property. All testing for radon should be conducted by a radon measurement technician. Elevated radon concentrations can be easily reduced by a radon mitigation technician.

For additional information, please go to http://www.kansasradonprogram.org or in Missouri a national source for radon information is http://www.epa.gov/radon.

- b. Microbials and Other Environmental Pollutants. BUYER acknowledges mold, fungi, bacteria and other microbials commonly exist in homes and will exist in the Property as a result of rain, humidity and other moisture in the Property and on materials during the normal construction process and as a result of the use of wood and other materials that commonly have mold, fungi, bacteria and other microbials at the time of delivery to the job site. BUYER has the opportunity to become informed about microbials and other environmental pollutants, and the potential health risks of microbials and other environmental pollutants.
 - The SELLER and Licensee assisting the SELLER and/or the BUYER do not claim or possess any special
 expertise in the measurement or reduction of radon, microbials or other environmental pollutants, nor
 have they provided any advice to BUYER as to acceptable levels or possible health hazards of radon,
 microbials or other environmental pollutants.
 - There can be no assurance that any existing systems, devices or methods incorporated into the Property
 for the purpose of reducing radon, microbials or other environmental pollutant levels will be effective and
 SELLER has no responsibility for the operation, maintenance or effectiveness of such systems, devices
 and methods.
- **17. LEAD BASED PAINT DISCLOSURE.** If the property was built prior to 1978, BUYER acknowledges receiving, reading and signing the Federally required disclosure regarding lead based paint.
- 18. CRIMINAL OFFENDERS. In Missouri and Kansas, law requires persons who are convicted of certain crimes, including certain sexually violent crimes, to register with the Sheriff of the county in which they reside. If you, as the BUYER, desire information regarding those registrants, you may find information on the homepage of the Kansas Bureau of Investigation (KBI) at http://www.Kansas.gov/kbi or by contacting the local Sheriff's office in Kansas.

TERMS AND CONDITIONS

21. EARNEST MONEY AND ADDITIONAL DEPOSITS.

a. Delivery. SELLER may cancel the Contract by written notice if Earnest Money and Additional Deposits are not received by Listing Broker or Escrow Agent as specified in this Contract.

 b. Deposit. Earnest Money and Additional Deposits will be deposited into an insured account by the specified Listing Broker/Escrow Agent within five (5) business days (Kansas Property) or ten (10) banking days (Missouri Property) of the Effective Date, unless otherwise agreed upon in writing. All parties agree that Listing Broker/Escrow Agent will retain any interest earned on escrowed funds.

c. Cancellation of Contract. If this Contract is terminated by the express provisions of this Contract or by either party pursuant to a right expressly given in this Contract, the Earnest Money and Additional Deposits will be returned to BUYER, and neither party will have any further rights or obligations under this Contract, except as otherwise stated in this Contract.

Notwithstanding any other terms of this Contract providing for the forfeiture or refund of Earnest Money and Additional Deposits, the parties understand neither the Listing Broker nor the Escrow Agent can distribute the Earnest Money and Additional Deposits without the written consent of all parties to this Contract unless permitted to do so by applicable state laws.

If BUYER and SELLER are unable to agree in writing upon the disposition of the Earnest Money and Additional Deposits or any other funds, Listing Broker or Escrow Agent may commence an inter-pleader or similar proceeding and BUYER and SELLER authorize Listing Broker or Escrow Agent to pay all funds to the Clerk of the Court for disposition as the Court may direct.

BUYER and SELLER agree Listing Broker or Escrow Agent will be entitled to reimbursement of its costs incurred in connection with the inter-pleader or similar proceeding including without limitation, reasonable attorney fees and expenses.

BUYER and SELLER agree, in the absence of a dispute or written consent to distribution, the failure by either to respond in writing to a certified letter from Listing Broker or Escrow Agent within seven (7) calendar days (if Kansas Property)/fifteen (15) calendar days (if Missouri Property) of receipt thereof or failure to make written demand for return or forfeiture of the Earnest Money and Additional Deposits within thirty (30) calendar days (if Kansas Property)/sixty (60) calendar days (if Missouri Property) of notice of cancellation of this Contract will constitute consent to distribution of the Earnest Money and Additional Deposits as suggested in such certified letter.

All parties acknowledge any Earnest Deposit funds that remain in the Listing Broker or Escrow Agent's account for over one (1) year (if Missouri Property)/five (5) years (if Kansas Property) may be sent to the respective states as requested or required by law.

22. TAXES, PRORATIONS AND SPECIAL ASSESSMENTS. All general/state/county/school and municipal real estate taxes, homeowner's association dues and fees, special assessments, interest on existing Loans to be assumed by BUYER, and any other contractual obligations of SELLER to be assumed by BUYER for years prior to the current calendar year will be paid by SELLER.

a. Any of the preceding items which become due and accrue during the calendar year in which SELLER'S warranty deed is delivered (including but not limited to rents and deposits, if applicable) will be prorated between the parties as of the Closing Date and, for all years thereafter, to the extent permitted by applicable law, will be assumed and paid by the BUYER. BUYER acknowledges that the Property may be subject to a special assessment, fee, or located in an improvement district. BUYER acknowledges this disclosure is required by Kansas law, and may be found in the Seller's Disclosure and Condition of Property Addendum or a separate document, if applicable.

b. If the actual amount of any item, other than taxes for the current year, cannot be ascertained from the public record, the amount of the item for the preceding year will be used for the current year's amount. If the actual amount of taxes for the current calendar year cannot be determined, it will be estimated by using the current year's appraised value, if available from the county taxing authority, and last year's mill levy. If appraised value is not available, the Contract Purchase Price will be used with last year's mill levy. BUYER and SELLER agree to accept such prorations as final and release each other, Broker(s), Agent(s), and Closing Agent(s) from any liability for any increase or decrease in actual taxes due.

In Missouri, reassessment takes place in odd-numbered years. Missouri transactions closing in odd-numbered years are subject to the process in the preceding paragraph. Missouri transactions closing in even-numbered years will be prorated based upon the preceding year's tax amount.

23. EVIDENCE OF TITLE. SELLER agrees to provide and pay for an owner's title insurance policy in the amount of the Purchase Price insuring marketable fee simple title in BUYER, subject to the Permitted Exceptions and with the exception of any liens, encumbrances or other matters affecting title to the Property created by BUYER or arising by virtue of BUYER's activities or ownership.

Within a reasonable time after the Effective Date, but prior to the Closing Date (the "Commitment Delivery Date"), SELLER agrees, at SELLER's expense, to deliver to BUYER a title insurance commitment from a company authorized to insure titles in the state where the Property is located, setting forth its requirements to issue an owner's title policy and mortgage policy, if applicable.

Unless there is a defect in title to the Property that is not corrected prior to the Closing Date, BUYER may not object to untimely delivery of the title commitment. The title commitment will commit to insure marketable fee simple title in the BUYER upon the recording of the deed or other document of conveyance. Title to the Property will be subject to the conditions in this Contract and to customary covenants, declarations, restrictions, zoning laws, easements, party wall agreements, special assessments, and community contracts of record as of the date of recording the deed or other document of conveyance (the "Permitted Exceptions").

BUYER will have a reasonable time after receipt of the title commitment (the "Objection Period") to notify SELLER in writing of any valid objections to title to the Property. SELLER will then make a good faith effort to remedy the defects in title. If SELLER is not able to remedy the title defects before the Closing Date, BUYER may elect to waive the objections, extend the Closing Date a reasonable time for the SELLER to remedy the defects, or cancel this Contract by written notice.

If the time between the Effective Date and the Closing Date is short, both the Commitment Delivery Date and the Objection Period will be as soon as reasonably possible, but no later than the Closing Date.

Mechanic's Lien Coverage. The owner's title policy will also insure BUYER as of the date of recording of the deed or other document of conveyance, against any lien, or right to a lien for services, labor or material imposed by law and not shown by the public records. SELLER agrees to comply with the requirements of the title company for issuance of this coverage. Any mechanic's lien or notice of intent filed during construction and prior to closing will not be deemed a defect in title unless the title insurance company will not insure against loss therefrom.

If the Property (Missouri only) has not been occupied by SELLER and has had recent construction work performed, the SELLER may be required to post and record a "notice of intended sale", as stated in Chapter 429 of the Missouri Revised Statutes, in order for BUYER to obtain Mechanic's Lien Coverage. All parties are advised to consult with the title company regarding these requirements.

The Missouri "Form", or Kansas "Brochure" needs to be read by all consumers. SELLER understands and agrees that BROKER can show the Property and obtain offers from all prospective Buyers, including Buyers with whom BROKER has a brokerage relationship. BROKER shall notify SELLER and Buyer of BROKER'S intention to represent both of them (Disclosed Dual Agency is available only in Missouri), to represent neither but to assist both the Buyer and SELLER (Transaction Brokerage is available in both Kansas and Missouri), or designate an agent for the Buyer and another to represent SELLER (Designated Agency is available in both Kansas and Missouri). - Transaction Broker. (Kansas and Missouri). SELLER acknowledges that BROKER may have Buyer clients who have retained BROKER to represent them in the acquisition of property. If one of these clients becomes interested in making an offer on the Property, BROKER would be in the position of representing the Buyer and SELLER in the same transaction. Unless designated agents have been appointed as provided below, this representation would constitute a dual agency (Missouri only). With the informed consent of both SELLER and the Buyer, BROKER may act as a Transaction Broker. As a Transaction Broker, BROKER would assist the parties with the real estate transaction without being an agent or advocate for the interests of either party. A Transaction Broker has the duty to perform the terms of any written or oral agreement made with any party to the transaction; to exercise reasonable skill, care and diligence as a Transaction Broker. including but not limited to: presenting all offers and counter offers in a timely manner regardless of whether the Property is subject to a Contract for sale or lease or a letter of intent; keeping the parties fully informed regarding the transaction and suggesting that such parties obtain expert advice as to material matters about which the Transaction Broker knows but the specifics of which are beyond the expertise of such broker; accounting in a timely manner for all money and property received; disclosing to each party to the transaction any adverse material facts of which the Transaction Broker has actual notice or knowledge; and assisting the parties in complying with the terms and conditions of any Contract. The parties to a transaction brokerage transaction shall not be liable for any acts of the Transaction Broker. The following information shall not be disclosed by a Transaction Broker without the informed consent of the party or parties disclosing such information to the BROKER: that a Buyer is willing to pay more than the Purchase Price offered for the Property; that SELLER is willing to accept less than the asking price for the Property; what the motivating factors are for any party buying, selling or leasing the Property; that SELLER or a Buyer will agree to financing terms other than those offered or any confidential information about the other party, unless disclosure of such information is required by law, statute, rules or regulations or failure to disclose such information would constitute fraud or dishonest dealing. (A separate Transaction Broker Addendum must be signed by all parties when this arrangement is used.)
- **Subagency.** A Subagent is the agent of an agent. A Subagent owes the same obligations and responsibilities as the agent.
- Disclosed Dual Agency. (Missouri only). BROKER may have Buyer clients who have retained BROKER to represent them in connection with the acquisition of property. If a Buyer represented by BROKER becomes interested in making an offer on the Property, BROKER is in the position of representing both SELLER and the Buyer in that transaction. This representation, known as dual agency, can create inherent conflicts of interest. The same is true if the listing agent is also the selling agent. A Dual Agent shall be a limited agent for both SELLER and a Buyer and shall have the duties of SELLER'S or a Buyer's agent except that a Dual Agent may disclose any information to one client that the licensee gains from the other client if the information: (1) is material to the transaction unless it is confidential information that has not been made public or, (2) becomes public by the words or conduct of the client to whom the information pertains or, (3) is obtained from a source other than the licensee. A Dual Agent may not disclose, without the consent of the client to whom the information pertains: that a Buyer is willing to pay more than the Purchase Price offered for the Property; that SELLER is willing to accept less than the asking price for the Property; what the motivating factors are for any client, buying or selling the Property or that a client will agree to financing terms other than those offered and/or the terms of any prior offers or counter offers made by any party. A Dual Agent shall not disclose to one client any confidential information about the other client unless the disclosure is required by statute, rule or regulation or failure to disclose the information would constitute a misrepresentation or unless disclosure is necessary to defend the affiliate licensee against an action of wrongful conduct in any administrative or judicial proceeding or before a professional committee. (A separate Disclosed Dual Agency Amendment must be signed by SELLER and the Buyer when this form of agency is used.)
- **Designated Agency.** A Designated Agent is a licensee affiliated with BROKER who has been designated by BROKER, or BROKER'S authorized representative, to act as the agent of a Buyer represented by BROKER or a SELLER represented by BROKER to the exclusion of all other affiliated licensees of BROKER. The use of a Designated Agent is an alternative to a Disclosed Dual Agency in Missouri or a Transaction Broker in Kansas or Missouri. A Designated SELLER'S Agent will perform all of the duties of a SELLER'S Agent.

If a Designated Agent is appointed to represent SELLER, SELLER understands and agrees that:

- 1. The Designated Agent will perform all of the duties of a SELLER'S Agent and will be SELLER'S legal agent to the exclusion of all other licensees affiliated with BROKER.
- 2. Another licensee with the BROKER may act as a Designated Agent for a Buyer in the sale of the Property.

- e. Disclose to BUYER all adverse material facts actually known (or should have known, in Missouri) by BROKER and advise BUYER to obtain expert advice as to material matters known by BROKER but the specifics of which are beyond the BROKER'S expertise.

- g. Comply with all applicable federal, state, and local laws, rules and regulations, and ordinances, including fair housing and civil rights statutes and rules and regulations.

- i. Disclose to BUYER and any Seller of Property all adverse material facts actually known (or should have known, in Missouri) by BROKER including but not limited to material facts concerning BUYER'S ability to perform under the terms of a sales contract and any facts actually known by BROKER that were omitted from or contradict any information included in a written report regarding the physical condition of the Property prepared by a qualified third party. In Missouri and in Kansas, law requires persons who are convicted of certain crimes, including certain sexually violent crimes, to register with the sheriff of the county in which they reside. If you, as the BUYER, desire information regarding those registrants, you may find in formation on the homepage of the Kansas Bureau of Investigation (KBI) at http://www.Kansas.gov/kbi or by contacting the local sheriff's office in Kansas. In Missouri, you may find information on the homepage of the Missouri State Highway Patrol at https://www.mshp.dps.missouri.gov/CJ38/search.jsp or BUYER should contact the sheriff of the county in which the Property is located.
- j. Assist with the closing of the sale of the Property.
- **k.** BROKER may search for properties in a Multiple Listing Service, and BROKER may, but is not required to, conduct searches and/or inquiries from other sources.

COMPENSATION TO BROKER.

a.	broker shall be entitled to compensation for assisting and negotiating in the procurement of Property
	acceptable to BUYER, or serving in Disclosed Dual Agency (Missouri only) or Transaction Broker
	situations. BROKER'S fee shall be: (Check if applicable)
	☐ The amount shown as the "selling commission" in a Multiple Listing Service or ()
	percent of the Purchase Price of the Property, whichever is greater. In the event BUYER wishes to
	purchase a Property that is not listed in a Multiple Listing Service, BROKER will seek a written fee
	agreement from the Seller in the amount of () percent of the Purchase Price of
	the Property. If said fee cannot be obtained from Seller, then BROKER shall notify BUYER in writing
	and BUYER agrees to either pay all of the balance on the agreed fee at the Closing of the transaction,
	or forego the purchase of said Property. If a selling incentive is offered by Seller, BUYER agrees that
	BROKER may accept same.
	☐ Other Commission: . BUYER understands
	and agrees that BROKER may be compensated by more than one party in the transaction.
	BUYER hereby authorizes the party handling the closing to pay Commission to BROKER from
	BUVER'S funds at closing

- b. Although this Contract primarily provides for BROKER to serve exclusively as BUYER'S Agent, BUYER may also authorize the BROKER to serve as a Disclosed Dual Agent (Missouri only) or Transaction Broker with regard to properties listed for sale by BROKER. Carefully read the paragraph entitled "Brokerage Relationship Disclosure" in the Contract concerning this issue.
- c. The BROKER'S fees shall also be deemed earned if BUYER or any person on BUYER'S behalf procures any real property of the nature described herein within _____ calendar days after termination of this Contract, which property BROKER, BROKER'S Agent or cooperating brokers presented or submitted to BUYER during the term hereof and the description of which BROKER shall have submitted in writing to BUYER, either in person or by mail within _____ calendar days after termination of this Contract.
- d. The BROKER'S fees shall also be deemed earned if the Property was presented to BUYER by someone other than BROKER or was actually seen by BUYER without the services or assistance of any broker, during the term of this Contract and BUYER shall have failed to disclose to BROKER the description of such property or to refer the presentation or submission to BROKER.
- e. BUYER shall be released and relieved of any obligation to pay the BROKER'S fees described herein, if through no fault on the part of the BUYER, the Seller fails to close the transaction. This provision shall not, however, relieve the Seller of any obligation to pay such fees as may be applicable. If such transaction fails to close because of any breach of the sale Contract on the part of BUYER, BROKER'S fees will not be waived, but will be due and payable by BUYER immediately.

7. BROKERAGE RELATIONSHIP DISCLOSURE. BUYER acknowledges receiving (a) the Broker Disclosure Form (in Missouri) on or before the signing of the Exclusive Buyer Agency Agreement, or upon the licensee obtaining any personal or financial information, whichever occurs first; OR, (b) the Real Estate Brokerage Relationships Brochure (in Kansas) at the first practical opportunity. The Missouri "Form", or Kansas "Brochure" needs to be read by all consumers. BUYER understands and agrees that BROKER can show any property which is available for sale, including properties which are listed with Sellers with whom BROKER has a brokerage relationship. BROKER shall notify BUYER and Seller of BROKER'S intention to represent both of them (Disclosed Dual Agency is available only in Missouri), to represent neither but to assist both BUYER and Seller (Transaction Broker in both Kansas and Missouri), or designate an agent for the BUYER and another to represent Seller (Designated Agency in both Kansas and Missouri). BUYER understands that BROKER may show alternative properties not listed by BROKER to BUYER and may show all such properties for sale to other buyers without breaching any duty or obligation to BUYER.

- Buyer Agency. The BUYER'S agent represents BUYER only, so the Seller may be either unrepresented or represented by another agent. The BUYER'S agent is responsible for performing the following duties: promoting the interests of BUYER with the utmost good faith, loyalty and fidelity; protecting BUYER'S confidences, unless disclosure is required by law; presenting all offers in a timely manner; advising BUYER to obtain expert advice; accounting for all money and property received; disclosing to BUYER all adverse material facts that the agent knows; disclosing to the Seller all adverse material facts actually known by the agent, including all material facts concerning BUYER'S financial ability to perform the terms of the transaction. The BUYER'S agent has no duty to: conduct an independent investigation of BUYER'S financial condition for the benefit of the Seller; independently verify the accuracy or completeness of statements made by BUYER or any qualified third party.
- Transaction Broker. (Kansas and Missouri). BUYER acknowledges that BROKER may have clients who have retained BROKER to represent them in the sale of property. If the property owned by one of these clients is one in which BUYER becomes interested in making an offer, BROKER would be in the position of representing BUYER and the Seller in the same transaction. Unless Designated Agents have been appointed as provided below, this representation would constitute a dual agency (Missouri only). With the informed consent of both BUYER and the Seller, BROKER may act as a Transaction Broker. As a Transaction Broker, BROKER would assist the parties with the real estate transaction without being an agent or advocate for the interests of either party. A Transaction Broker has the duty to perform the terms of any written or oral agreement made with any party to the transaction; to exercise reasonable skill, care and diligence as a Transaction Broker, including but not limited to: presenting all offers and counter offers in a timely manner regardless of whether the Property is subject to a Contract for sale or lease or a letter of intent; keeping the parties fully informed regarding the transaction and suggesting that such parties obtain expert advice as to material matters about which the Transaction Broker knows but the specifics of which are beyond the expertise of such broker; accounting in a timely manner for all money and property received; disclosing to each party to the transaction any adverse material facts of which the Transaction Broker has actual notice or knowledge; and assisting the parties in complying with the terms and conditions of any Contract. The parties to a transaction brokerage transaction shall not be liable for any acts of the Transaction Broker. The following information shall not be disclosed by a Transaction Broker without the informed consent of the party or parties disclosing such information to the Transaction Broker: that BUYER is willing to pay more than the Purchase Price offered for the Property; that a Seller is willing to accept less than the asking price for the Property; what the motivating factors are for any party buying, selling or leasing the Property; that a Seller or BUYER will agree to financing terms other than those offered; any confidential information about the other party, unless disclosure of such information is required by law, statute, rules or regulations or failure to disclose such information would constitute fraud or dishonest dealing. A separate Transaction Broker Addendum must be signed by all parties when this arrangement is used.
- **Subagency-Agency.** A Subagent is the agent of an agent. A Subagent owes the same obligations and responsibilities as the agent.

Disclosed Dual Agency. (Missouri only) BROKER may have clients who have retained BROKER to represent them in connection with the sale of property. If a Seller represented by BROKER has property in which BUYER becomes interested in making an offer, BROKER is in the position of representing both BUYER and Seller in that transaction. This representation, known as dual agency, can create inherent conflicts of interest. A Dual Agent shall be a limited agent for both BUYER and Seller and shall have the duties of BUYER'S or Seller's agent except that a Dual Agent may disclose any information to one client that the licensee gains from the other client if the information: (1) is material to the transaction unless it is confidential information that has not been made public or; (2) becomes public by the words or conduct of the client to whom the information pertains or; (3) is obtained from a source other than the licensee. A Dual Agent may not disclose, without the consent of the client to whom the information pertains: that BUYER is willing to pay more than the Purchase Price offered for the Property; that a Seller is willing to accept less than the asking price for the Property; what the motivating factors are for any client, buying or selling the Property; that a client will agree to financing terms other than those offered and/or the terms of any prior offers or counter offers made by any party. A Dual Agent shall not disclose to any other client any confidential information about the other client unless the disclosure is required by statute, rules or regulations or failure to disclose the information would constitute a misrepresentation or unless disclosure is necessary to defend the affiliate licensee against an action of wrongful conduct in any administrative or judicial proceeding or before a professional committee. A separate Disclosed Dual Agency Amendment must be signed by BUYER and Seller when this form of agency is used.

- **Designated Agency.** A Designated Agent is a licensee affiliated with BROKER who has been designated by BROKER, or BROKER'S authorized representative, to act as the agent of a Buyer represented by BROKER or a Seller represented by BROKER to the exclusion of all other affiliated licensees of BROKER. The use of a Designated Agent is an alternative to a Disclosed Dual Agency in Missouri or a Transaction Broker in Kansas or Missouri. A Designated Buyer's Agent will perform all of the duties of a Buyer's Agent. **If a Designated Agent is appointed to represent BUYER, BUYER** understands and agrees that:
 - 1. The Designated Agent will perform all of the duties of the BUYER'S Agent and will be BUYER'S legal agent to the exclusion of all other licensees affiliated with BROKER.
 - 2. Another licensee with the BROKER may act as a Designated Agent for a Seller in BUYER'S purchase of the Property.
 - 3. The supervising broker (or branch broker, if applicable) will act as a Transaction Broker and will not advocate for the interests of either party and will not, without prior consent of both parties, disclose any information or personal confidences about a party which might place the other party at an advantage. The supervising broker (or branch broker, if applicable) may appoint an affiliated licensee to act in the transaction as a Transaction Broker.
 - 4. If the Designated Agent for BUYER is also the Designated Agent of a Seller, the Designated Agent cannot represent both BUYER and Seller. With the informed consent of both the BUYER and Seller, the Designated Agent may act as a Transaction Broker and assist the parties with the real estate transaction without being an agent or advocate for the interests of either party.
 - 5. If BUYER is represented by a Designated Agent of BROKER and wants to see property which was personally listed by the supervising broker, the supervising broker, with the written consent of the Seller, may specifically designate an affiliated licensee who will act as the Designated Agent for Seller.

8.	BROKERAGE RELATIONSHIPS CONFIRMATION. Unless otherwise provided herein, BUYER authorizes the
	designated BROKER to cooperate with and receive compensation from other brokers.

213 214 215 216 217	9.	COST OF SERVICES OBTAINED FROM OUTSIDE SOURCES . BROKER shall not obtain or order products or services from outside sources unless BUYER agrees in writing to pay for the same immediately when payment is due. Examples of such outside sources would include, but are not limited to, surveys, soil tests, title reports, engineering studies, or inspections.
218 219 220 221 222	10.	DISCLOSURE OF BROKER'S ROLE . 228 229 230 231 232	12.	OTHER POTENTIAL BUYERS . BUYER understands that other potential buyers may consider, make offers on or purchase through BROKER the same or similar properties as BUYER seeks to acquire. BUYER consents to BROKER'S representation of such potential buyers before, during and after the expiration of this Contract. In such a situation, BROKER will not disclose to any buyer the terms of another buyer's offer.
233 234 235 236	13.	NON-ASSIGNMENT OF CONTRACT . BUYER and BROKER understand and agree that the relationship created by this Contract is a personal one and that neither BUYER nor BROKER shall have the right to assign this Contract to third parties.

241 242 243 244 245	15.	LEGAL AND PROFESSIONAL ADVICE. BROKER suggests BUYER seek legal, tax, and other professional advice relative to any real estate transaction. BROKER makes no representation or warranty respecting the advisability of any transaction. BROKER is not an expert in matters relating to law, tax, financing, surveying structural or mechanical condition, hazardous material, engineering, or other specialized topics. BUYER is encouraged to seek expert help in such areas. BROKER will cooperate with experts engaged by BUYER, but

16. ENTIRE AGREEMENT. This Agency Contract constitutes the entire agreement between the parties; any prior agreements pertaining thereto, whether oral or written, have been merged and integrated into this Contract. There shall be no modification of any of the terms of this Contract unless such modification has been agreed to in writing and signed by all parties.

BROKER shall have no liability to BUYER pertaining to such matters.

CYBER PROTECTION NOTICE

Because you are going to be involved in a real estate transaction where money is changing hands, you are a potential target for cyber-criminals. These sophisticated criminals could:

- **a.** Try to hack into your email account or the email of other persons involved in your transaction and direct you to send a wire to the hacker's account.
- **b.** They can even send you emails that appear to be from your agent, your closer or another trusted source.

If you receive wiring instructions, even if it appears legitimate, do not send any money to that account. Always call to verify such instructions.

Always contact the closer directly before any money is wired. To ensure it's the closing company:

- **a.** Do not use a phone number or other contact information from an email.
- **b.** Use a business number from another source (such as the closing company's website) to make sure you are actually talking to your closer and not someone intent on stealing your money.

TRANSACTION BROKER ADDENDUM

AMENDMENT TO AGENCY AGREEMENTS. This Transaction Broker Addendum is part of a Buyer Agency Agreement dated, and a Seller Agency Agreement dated
The seller agency agreement and the buyer agency agreement did not include a designated agent or includes the following affiliated licensee as a designated agent for both the buyer and the seller:
If no designated agent was named in the agency agreements with the buyer and the seller, and this addendum is signed by Buyer and Seller, Broker and the broker's affiliated licensees shall act as a Transaction Broker in a contemplated real estate transaction between Buyer and Seller.
If the same designated agent was named in the agency agreements with the buyer and the seller, the broker is already a transaction broker. If this form is signed by the Buyer and Seller, the designated agent shall act as a Transaction Broker in a contemplated real estate transaction between Buyer and Seller.
This addendum is only effective for the purchase of Seller's property at:
<u> </u>
LIMITATION ON OBLIGATIONS. When acting as the agent for one party (either buyer or seller), Broker or a designated agent has duties and obligations which include utmost good faith, loyalty, and fidelity to that one party. A Transaction Broker assists the parties with a real estate transaction without being an agent or advocate for the interests of any party to the transaction.
MATTERS THAT CANNOT BE DISCLOSED. Licensees acting as a Transaction Broker shall not disclose any information or personal confidences about a party to the transaction which might place the other party at an advantage over the party unless the disclosure is required by law or failure to disclose such information would constitute fraudulent misrepresentation.
A TRANSACTION BROKER assisting the parties in any transaction regarding the sale or lease of real estate OTHER THAN commercial property or residential property of more than four units, SHALL NOT disclose the following without the consent of all parties: 1) a buyer or tenant is willing to pay more than the purchase price or lease rate offered for the property, 2) a seller or landlord is willing to accept less than the asking price or lease rate for the property, 3) what the motivating factors are for any party buying, selling, or leasing the property, or 4) a seller, buyer, landlord or tenant will agree to financing terms other than those offered.
COMMERCIAL REAL ESTATE. A Transaction Broker assisting the parties in any transaction regarding the sale or lease of commercial property or residential property of more than four units, MAY disclose items listed in numbers $1-4$ above unless prohibited by the parties.
CAREFULLY READ THE TERMS BEFORE SIGNING. IF NOT UNDERSTOOD, CONSULT AN ATTORNEY BEFORE SIGNING. A Transaction Broker's obligations and responsibilities are included in K.S.A. 58-30,113, and amendments thereto.

RESIDENTIAL SEPTIC SYSTEM ADDENDUM

SELLER:
BUYER:
PROPERTY:
The Property which is the subject of this Contract is not connected to a municipal or public sewer system. Sewage disposal is accomplished with a septic tank or similar installation. Septic systems may be subject to local, state and federal regulation. Installations which were proper at the time of original construction may not comply with governmental regulations which have been enacted since that time. It is recommended that BUYER check with lender and/or local government authority regarding septic system inspection.
Lenders are becoming more sensitive to environmental regulations, and it should be anticipated the BUYER'S financing may be conditioned upon proof that the septic system meets current regulatory requirements.
Even if a septic inspection is not required by lender or local government, BUYER is advised to consider an independent inspection of the septic system.
In the event proof of regulatory compliance of the septic system is required by a lender, or is sought for any other reason, and it is determined the system does not comply, it may be necessary to bring the system into compliance. Significant expense may be involved.
The cost of uncovering and recovering the septic tank $lid(s)$, if needed, for purposes of this inspection will be paid by: (<i>Check One</i>) \square SELLER \square BUYER.
The cost of pumping the septic tank(s), if needed, for purposes of this inspection will be paid by: <i>(Check One)</i> SELLER BUYER.
