The program provides up to \$1,400 per course for tuition support. This Tuition Support opportunity is through a grant awarded to Florida International University from the Florida Department of Education, Bureau of Exceptional Student Education under the Individuals with Disabilities Education Act, Part B. The Principal Investigator is Dr. Patricia Barbetta, and the Co-Principal Investigator is Melanie Morales.

1. Register each semester per the timeframes provided by your college or university. This program will not reimburse for late registration payments or charges.
2. Pay all tuition costs and fees that exceed \$1,400 by the deadline set by the university you are attending.
3. Provide updated contact information and respond to all correspondence in the required time frame.
4. If necessary, withdraw from the course before the drop/add date at the university you are attending to avoid financial penalties.

 - a. You may be required to pay back **all** tuition paid to date, not just the class you dropped, or
 - b. You can re-take the course at your own expense. Once you have completed the course successfully with a grade of C or better, you will be eligible for continued support pending grant fund availability. You must provide proof of a passing grade.
6. Earn at least a C in all courses. If you earn a grade lower than a C, you have two alternatives:
 - a. You are required to pay back **all** tuition paid to date, not just the class you earned lower than a C; or

9. Complete all required coursework in consecutive semesters.
10. Re-submit an application if you do not start coursework in the semester in which you were approved.
