Dear Panther Graduates,

CONGRATULATIONS! Your day has finally come. Your years of hard work and perseverance have paid off. On behalf of the entire University of Northern Iowa family, please accept our congratulations and our gratitude!

As I continue to explore and learn more about the UNI community, I have found that we have a wonderful university with a rich history of academic excellence. What you learned and experienced at UNI will serve you for years to come. While today we celebrate with you in reaching your educational goal, it is my hope that the faculty and staff at this great university have helped to ensure that each of you will also reach your professional and personal life goals.

Thank you for choosing to attend UNI. You have benefited from your time here, and we have benefited from your presence. Thank you for helping UNI be a premier university known for our academic excellence and as a great place filled with many opportunities to learn and be challenged.

As you continue your journey, remember to thank those that have been with you and supported you along the way – family members, friends, UNI faculty and staff members, and classmates. You are always welcome at your alma mater, and we hope you return to visit frequently.

Again, congratulations as you graduate from the University of Northern Iowa, and please stay in touch

Panther Proud!

University Honors Program

Graduates wearing gold University Honors medallions are recipients of designations from the University Honors Program. The designation of University Honors with Distinction indicates the completion of at least thirty credit hours of honors-level course work throughout a student's undergraduate study. The designation of University Honors indicates the completion of at least eighteen credit hours of honors-level coursework. Both designations require the completion of an undergraduate honors thesis. Students earning honors designations are noted throughout the commencement program along with their thesis title.

Legacy Graduates

The University of Northern Iowa has a long and proud tradition of multi-generational family graduates. The Legacy designation (%) in the commencement program signifies that a parent and/or grandparent are also UNI graduates. The UNI Alumni Association celebrates this special connection with alma mater and welcomes all alumni to submit their legacy information to info@unialum.org. Legacy information included in this program was submitted by the graduate.

Military Science

The following graduates have earned a commission as a Second Lieutenant in the United States Army.

Purple and Old Gold Awards

The Purple and Old Gold Award recognizes achievement and success in and out of the classroom at the University of Northern Iowa. Named after the university colors, the traditional awards were first presented at commencement ceremonies in 1939. The Purple and Old Gold Award is the highest award given out by university departments to one undergraduate student in their corresponding department. Recipients of this honor wear a bronze medal to symbolize their outstanding achievements and will be recognized during the ceremony.

Lux Service Award

Since 1984

The University of Northern Iowa Lux Service Award is presented by the Office of the Dean of Students annually to undergraduate students who best represent the ideal of service to the university community.

The honor is conferred in the spirit of keeping the light of service to others burning bright at UNI. The name of the award, Lux, is from the university's official seal that features a burning lamp of knowledge and the Latin word for light.

Congratulations to the 2017 Lux Service Award Recipients:

Micah Zeimetz is a social science education major with an emphasis in American governments from Pella. Micah has made an impressive leadership mark on campus as a resident assistant, senior resident assistant, summer orientation staff member, hall senate member, member of the Honors Student Advisory Board and co-creator of Some Assembly Required improv group.

Micah has a passion for helping students. He wants nothing more than to make their lives better. In his own words, "I can't change the world, but I can change the lives of a few, one person at a time."

Micah's lasting legacy will be the numerous videos he created for orientation and other campus events. He's also leaving behind a lot of laughter with the creation of his improv group.

Kadesha Zimmerman is an accounting and management information systems double major from St. Louis, Missouri. Kadesha quickly got involved in a variety of activities across campus, including Jump Start, Pathfinders, Empowering Exquisite Culturally Enlightened Leaders (EXCEL), the Accounting Club, Black Student Union, Ethnic Student Promoters, Entrepreneurs Club and the Management Information Systems Association.

Kadesha's lasting legacy will be her efforts as the student inspiration for Panther Connections. She stated as a freshman at UNI that she did not see any black accounting alumni that could share their experiences. Noticing many other minority students were feeling the same way, the concern was brought to the attention of staff, and with their collaboration, Panther Connections was born. This group now provides a way for minority students to interact with minority alumni in their majors. Not only has Panther Connections served as a retention initiative for current students, but it has provided a way for alumni to give back to the university.

Constantine “Deno” William Curris

Constantine “Deno” William Curris is a respected leader among academic administrators with more than four decades of experience in higher education. Dr. Curris was born in 1940 in Lexington, Kentucky. He graduated from the University of Kentucky magna cum laude in 1962 with a degree in political science. In 1965 he received an M.A. degree in political science from the University of Illinois, and in 1967 an Ed.D. degree in higher education from the University of Kentucky.

Dr. Curris began his career in 1965 as vice president and dean of faculty at Midway College in Kentucky. In 1968 he moved to West Virginia to serve as director of academic programs for the West Virginia Board of Education. After serving at Marshall University as dean of students and at West Virginia Institute of Technology as vice president and dean of faculty, he was selected as the fifth president of Murray State University in 1973.

In 1983, Dr. Curris became the seventh president at the University of Northern Iowa. During his tenure, he worked to improve UNI’s visual appeal, including the restoration of several buildings on campus, led the construction of new facilities, including the Kamerick Art Building, the Center for Energy and Environmental Education, and the Business Building (now the Curris Business Building), and brought the campus national recognition for its high quality business and education programs.

At UNI, Dr. Curris was focused on quality undergraduate programs, teacher education reform, economic reform and development, and expanded opportunities in international studies. Under his tenure, UNI had a record enrollment in 1991. He was also instrumental in starting the Master of Public Policy program in 1991, believing it to be a “niche program that would train folks in advanced policy analysis.”

In 1995, after leading UNI for 12 years, Dr. Curris left to become the 13th president of Clemson University, serving from 1995 to 1999. From 1999 to 2009, he served as president of the American Association of State Colleges and Universities (AASCU), the organization that supports more than 400 public colleges and universities.

While serving as president of AASCU, he advocated for over 15 million students and focused his efforts on public college accountability. His work on the Voluntary System of Accountability (VSA) Program allowed the public to compare universities on student and family information, student engagement as well as student learning.

Dr. Curris’ retirement from AASCU in 2008 allowed him the opportunity to serve Murray State University once again as a member of the Board of Regents and eventually as chair.

Currently, Dr. Curris offers his four decades of higher education leadership and experience to AGB Search, where he focuses on finding leaders in higher education to serve on governing boards and in presidential and chancellorship positions.

Upon the recommendation of the University Honorary Degrees Committee, the Faculty Senate and the president of the university, and with the unanimous consent of the Board of Regents, State of Iowa, it is a privilege to present Constantine “Deno” William Curris for the Degree of Doctor of Humane Letters, honoris causa.

Robert James Waller

Robert James Waller was a distinguished leader, scholar and author and well respected for his work as a photographer and musician. Raised in Rockford, Iowa, Dr. Waller attended the University of Northern Iowa where he received a Bachelor of Arts degree in Business Education in 1962 and a Master of Arts in Education in Business Education in 1964. He received a Ph.D. in 1968 from the Kelley School of Business at Indiana University.

Dr. Waller began his career in higher education teaching management, economics and decision theory at the University of Northern Iowa in 1968, where he continued to teach until 1989. Dr. Waller lectured and published in the fields of problem solving and decision-making, and consulted for U.S.-based and global corporations as well as government institutions. During his tenure at UNI, he served as the inaugural dean of UNI's School of Business (now the College of Business Administration) for six years, from 1980 to 1986.

As an educator, Dr. Waller's extraordinary teaching touched the lives of thousands of undergraduate students. He built his compelling classroom lessons using his own groundbreaking managerial, decision-making research. Dr. Waller was not only a professor of management but also a professor in life according to his former students.

His fictional novel, "The Bridges of Madison County," which sold more than 50 million copies, has been translated into more than 40 languages and became both a major motion picture and a Tony-nominated Broadway musical. Dr. Waller wrote seven additional novels, five non-fiction books and a collection of essays, including an account of natural beauty and environmental challenges closely observed during his solitary canoe trips down Iowa's Shell Rock River.

In addition to being active in research, teaching and writing throughout a long career, and being a member of UNI's basketball team during his undergraduate years, Dr. Waller was involved with music throughout his life, learning to play multiple instruments. He even composed songs for the album, "The Ballads of Madison County."

Dr. Waller's financial contributions to the University of Northern Iowa have established the Robert James Waller Scholarship in Economics, the Charles T. Leavitt Scholarship in Economics, the Robert James Waller Professorship in Economics, the Robert James Waller College of Business Faculty Enrichment Fund, and support for jazz scholarships and the Honors Program. In addition, UNI's Rod Library receives royalties from his books.

Upon recommendation of the University Honorary Degrees Committee, the Faculty Senate and the president of the university, and with the unanimous consent of the Board of Regents, State of Iowa, it is a privilege to present Robert James Waller for the Degree of Doctor of Humane Letters, honoris causa.

Graduate College

All graduate degree candidates are listed under the college of their academic major.

The Academic Procession

The procession begins with the entrance of the candidates for degrees. Led by faculty marshals, the candidates for the degree of Bachelor of Arts, both the Teaching Program and the Liberal Arts Program, Bachelor of Fine Arts, Bachelor of Liberal Studies, Bachelor of Music and Bachelor of Science enter in groups, representing each of the undergraduate colleges. They are followed by the candidates for the highest degrees.

Students wearing a bronze medallion are those graduating summa cum laude (with highest honors), which represent the top three percent of each college by grade point average; or those graduating students receiving a Purple and Old Gold Award, given to those students who have excelled in scholarship or who have shown conspicuous achievement in particular areas.

The procession continues with representatives of the faculty.

The President's Party forms the final section of the academic procession. Headed by the commencement marshal, it includes the president; members of the Board of Regents, State of Iowa; administrative officers; the academic deans; and honored guests.

The individuals leading the procession of the graduates, the faculty and the president's party carry a mace which is a symbol of office. Those individuals are the student body president, the chair of the faculty and the university commencement marshal. Over long tradition, a mace is a symbol of authority and official celebration. The university mace is the largest of the three maces and it embodies the history and dignity of the entire university. The president wears a jeweled "Chain of Office" symbolizing the wearer is the leader of the institution. The silver chain includes links with the names of previous presidents of the institution, as well as previous names of the university.

The academic costumes worn trace their origin to the Middle Ages when long-sleeved hooded gowns were necessary for warmth in the unheated stone colleges. Over the centuries, much diversity occurred, and to bring some order, in the United States in 1894 an intercollegiate system of academic costume was agreed on, now adhered to by American institutions. According to this code, both the styling and colors of the regalia have significance.

The design of the gown indicates the degree. The bachelor's is a simple gown with a full sleeve. The master's gown is much like it except for the long sleeve which hangs loose. The doctoral gown is fuller and more elaborate. It has velvet edging and three velvet stripes on the full sleeve. The color of this velvet may be black or in the color appropriate to the degree.

Hoods, which are worn over the gowns, are similar for all degrees, although differing slightly in length. The candidates for the bachelor's degrees usually do not wear the hood. The hood has a velvet edging which indicates the area of the degree, and the inside or lining of the hood is satin in the colors of the college or university granting the degree.

A partial list of the degree colors to be found on the edge of the hood or the trimming on the doctoral gown is as follows:

Apricot - Nursing	Drab - Business	Orange - Engineering
Blue, dark - Philosophy	Green - Medicine	Pink - Music
Blue, light - Education	Green Sage - Physical Education	Purple - Law
Brown - Fine Arts	Lemon - Library Science	Scarlet - Theology
Citron - Social Science	Maize - Agriculture	White - Arts and Letters
Copper - Economics	Maroon - Family and Consumer Sciences	Yellow, Golden - Science

Service Organizations

CATS

Graduates wearing purple and black cords are members of Connecting Alumni To Students (CATS), the official student chapter of the UNI Alumni Association. These dedicated students represent the UNI student body to alumni and friends. CATS create and promote the lasting connections between past, present and future Panthers.

Ethnic Student Promoters

Graduates wearing purple and silver cords are members of Ethnic Student Promoters (ESP). ESP members are dedicated to creating, sustaining, and supporting diversity at UNI through the Office of Admissions. The promising students provide services to the University by assisting with the recruitment of new and diverse students, hosting events and visit days and creating an inclusive environment.

International Student Promoters (ISP)

Graduates wearing lavender and purple cords are members of International Student Promoters (ISP). ISP members are committed to promoting UNI and international Education to prospective students around the world. They assist the Office of Admissions with a variety of recruitment and diversity efforts including communicating with interested international students and facilitating in their smooth transition to UNI.

National Residence Hall Honorary

Graduates wearing royal blue and white cords are members of the National Residence Hall Honorary, an honorary organization recognizing the top one percent of leaders who live on campus. Members are inducted for showing continual service to the community, leadership within the residence halls, recognition of others in their endeavors, and outstanding scholarship during their tenure living on campus.

Northern Iowa Student Government

Graduates wearing gold or purple stoles are members of the Northern Iowa Student Government (NISG). Since 1916, various governing bodies comprised of students have represented the student body as a whole. NISG, as the student governing body has been called since 1989, is committed to improving the administration of student affairs, encouraging the greatest level of communication and cooperation, ensuring the protection of student rights, and providing excellence in Education.

Omicron Delta Kappa

Graduates wearing a white stole are members of Omicron Delta Kappa which is a junior-senior honorary organization which recognizes students who have demonstrated high levels of academic achievements, leadership in campus affairs, and community service.

Phi Eta Sigma

Graduates wearing black and gold cords are members of Phi Eta Sigma which recognizes first-year students who have a cumulative grade point average of at least 3.5 on a 4.0 scale at the close of any full-time curricular period during their first year.

Social and Behavioral Representatives

Graduates wearing lavender and white intertwined cords are members of Social and Behavioral Representatives (SABRs). Students selected to be part of SABRs promote the mission of the College of Social and Behavioral Sciences. They educate prospective students about the role social science can play in improving society and they volunteer their time by serving non-profit agencies in the local community.

Student Admissions Ambassadors

Graduates wearing purple and gold intertwined cords are members of the Student Alumni Ambassadors (SAA). Since 1989, SAA has served the University in a variety of ways. From giving campus tours to prospective students, alumni and University guests, to serving as representatives of the student body at special events, SAA is recognized as one of the premier service organizations on campus.

Team TC/TK

Graduates wearing purple and white cords are members of Team TC/TK, UNI's mascot program. These dedicated students have volunteered countless hours to help make sure TC and TK make it to hundreds of scheduled appearances all year long. They are the students who stand beside, and behind the mascots, and are our cornerstones to Panther Pride. Watch closely as the graduates cross the stage. When you spot who is wearing panther paws instead of shoes, you finally know who the faces behind the fur have been!
