**2. Turn in the application.** You can mail it to DSS ConneCT Scanning Center, P.O. Box 1320, **Manchester, Connecticut 06045-**1320 or drop it at any DSS office.

DSS makes Medicaid eligibility decisions based on disability within 90 days from the date of application. DSS will make all other Medicaid eligibility decisions within 45 days from the date of application, except in unusual circumstances. For SNAP applicants who are not eligible for emergency seven-day processing and who complete the application process, DSS will make decisions about SNAP no later than 30 days after the application is filed. If the SNAP applicant is in an institution and applying for SNAP and Supplemental Security Income (SSI) at the same time, the filing date is the date of release from the institution. All SNAP applications are processed in accordance with SNAP procedures, even if you apply for SNAP and other programs. You must have an interview and show proof of some of the information given on the application. You may not be denied SNAP solely because you may be denied benefits from other programs.

When filling out this application, please note the following:

- > Social Security numbers (SSN) and citizenship: We need to know the SSN and citizenship status only for people applying for help. If you are applying for someone else, and not for yourself, we may not need your SSN or citizenship status. People who are not U.S. citizens may still be eligible for some help. If you do not have a SSN yourself, other family members who do have SSNs may still be eligible.
- ➤ Ethnicity and Racial Heritage: You can choose not to give your ethnic group and racial heritage information. It will not affect your eligibility. This information helps us follow Title VI of the Civil Rights Act of 1964, as updated by the Affordable Care Act.

	READ CAREFULLY FOR ALL PROGRAMS				

- For all programs, except SNAP, I will notify the Department of Social Services (DSS) within 10 days of any change in income, assets or living arrangements.
- I may request a hearing if I disagree with an action taken on my case. Hearing requests must be in writing for all programs, except SNAP. Requests for SNAP hearing may also be made by telephone. You may represent yourself at a hearing, or you may have a lawyer, relative, friend of someone else represent you.
- All information given on this form is subject to verification by federal, state and local officials. I will cooperate with these officials by providing authorizations, documents and other proof to prove what I have said. I authorize DSS to verify any information given on this form.
- If I make a false or misleading statement, I may be subject to civil or criminal penalties.
- · All information given on this form, including Social Security numbers, is confidential, except as permitted or required by court order, state or federal law. With certain exceptions, it will be used only to administer DSS programs. If DSS believes that there is imminent danger to a child's or family's health, safety or welfare, DSS will provide the child's address and telephone number to the Department of Children and Families. For all programs, except Medicaid, DSS will give your address to a law enforcement official to locate you if you are fleeing to avoid prosecution or custody for certain crimes or for violating a condition of probation for certain crimes or if you have information that a law enforcement official needs to do his or her job concerning certain crimes.
- DSS may disclose information about me and others in my family or household who are receiving benefits for purposes directly connected with the administration of DSS programs. Purposes directly connected with the administration of DSS' programs include, but are not limited to: establishing eligibility, determining the amount of help, providing services, and for investigations, prosecutions, or civil proceedings related to the administration of DSS programs.
- DSS may disclose to its contractors confidential information from the Department of Labor concerning unemployment compensation benefit and quarterly wage information pertaining to individuals who have

signed this application only as necessary to determine and review eligibility for medical assistance, SNAP, SAGA, TFA and State Supplement.

- I authorize DSS to verify any information regarding anyone's non-citizen status with the U.S. Citizenship and Immigration Services (USCIS). I understand that DSS will not share the information given on this form with USCIS. I also understand that USCIS <u>CANNOT</u> use this application to deny admission to the U.S., harm permanent resident status or deport me or anyone I am applying for.
- Any information I give on this form, including Social Security numbers, will be used to verify identity and eligibility for those people in my household who are going to receive benefits. People who live with me who are not going to receive benefits do not need to give their Social Security numbers. If they wish to do so, it may be easier to verify their income and speed up the application process. Social Security numbers will be cross-matched against federal, state and local government files by computers. DSS is allowed to request Social Security numbers based on the following statutes: for SNAP, the Food and Nutrition Act of 2008 (formerly the Food Stamp Act), 7 USC §§ 2011-2036; 7 USC § 2025(e)(1) and 42 USC §§ 1320b-7(a)(1) and (b)(4); for TFA, 42 USC §§ 1320b-7(a)(1) and (b)(1); for Medicaid, 42 USC §§1320b-7(a)(1) and (b)(2); for State Supplement to the Aged, Blind and Disabled, 42 USC §§ 1320b-7(a)(1) and (b)(5); for SAGA, the Tax Reform Act of 1976, 42 USC § 405(c)(2)(C)(i); for all programs except SAGA, Conn. Gen. Stat. § 17b-77.
- If a SNAP claim arises against your household, the information on this application, including all Social Security numbers, may be referred to federal and state agencies, as well as private claims collection agencies for claims collection action
- The State will use information available to it through the Income and Eligibility Verification System (IEVS) and through the National Directory of New Hires (for the Temporary Family Assistance program) to process my request for help. This information will come from the Labor Department, the Social Security Administration, the Internal Revenue Service and other agencies when allowed by law. DSS may verify (check) the information it receives from these sources directly with other sources, such as banks and employers. These results may affect my household's eligibility and level of benefits.
- The State may verify (check) information it gets about child support payments, which are made to the State on behalf of my child, with the Bureau of Child Support Enforcement (BCSE).
- Giving the information asked for on this application is voluntary. If I do not give certain information, however, my application will be denied. For SNAP, if you fail to report or verify any of the listed expenses, DSS will treat this as a statement that you do not want to receive a deduction for the unreported expense.
- I will cooperate with state and federal personnel in Quality Control Reviews.
